

# 4-YEAR HIGH SCHOOL PLAN

Review your 4-Year High School Course Plan each semester.

- Make revisions as needed.
- Add your grades and credits for the previous semester.
- Consider Graduation Requirements / Postsecondary (A-G) Admissions Requirements / NCAA Eligibility Requirements / Scholarship Requirements

Name

| 9TH GRADE                       |       |                |                                 |       |
|---------------------------------|-------|----------------|---------------------------------|-------|
| FALL SEMSTER                    | Grade | A-G            | SPRING SEMESTER                 | Grade |
| 9 <sup>TH</sup> Grade English 1 |       | B <sub>1</sub> | 9 <sup>TH</sup> Grade English 2 |       |
| Algebra 1                       |       | C <sub>1</sub> | Algebra 2                       |       |
| Biology 1                       |       | D <sub>1</sub> | Biology 2                       |       |
| Visual/Performing Art 1         |       | F <sub>1</sub> | Visual/Performing Art 2         |       |
| PE 1                            |       |                | PE 2                            |       |
| Health                          |       |                | College/Career Exploration      |       |
|                                 |       |                |                                 |       |
|                                 |       |                |                                 |       |
| SEMESTER CREDITS EARNED         |       |                | CUMULATIVE CREDITS              |       |

| 10TH GRADE                       |       |                |                                  |       |
|----------------------------------|-------|----------------|----------------------------------|-------|
| FALL SEMSTER                     | Grade | A-G            | SPRING SEMESTER                  | Grade |
| 10 <sup>th</sup> Grade English 1 |       | B <sub>2</sub> | 10 <sup>th</sup> Grade English 2 |       |
| Geometry 1                       |       | C <sub>3</sub> | Geometry 2                       |       |
| Chemistry/Physics 1              |       | D <sub>2</sub> | Chemistry/Physics 2              |       |
| Modern World 1                   |       | A <sub>2</sub> | Modern World 2                   |       |
| PE 3                             |       |                | PE 4                             |       |
